

**Planning and Zoning
Meeting Minutes
Monday January 8, 2018**

Work Session-5:30PM

Commission discussed the creation of an Recreational Vehicle (RV) Zone. Ordinance from different towns were reviewed to get an idea of the best possible way to create this zone. The size of the lot was taken into account as well as how many RV spaces per acre. The pros and cons of long and short term parks were also considered.

Meeting

Called to order- 6:30 pm

Roll Call- Doris Crowley, KC Johnson, Billie Streelman, Denise White and Scott Bergantz were all present.

Approval of Minutes- Denise made a motion to approve the minutes of the December 11, 2017 meeting. Billie seconded the motion. All present voting in favor.

The commission discussed the need for another meeting on the 15th of January to continue work on the RV park ordinance.

Adjourn- 6:41 PM

**Planning and Zoning
Work Session
January 15, 2018**

Commission members discussed the size of each RV space in the park and what would define short and long term stays. Commission looked at the possibility of laundry facilities. Road size through the park were examined.

**Planning and Zoning
Work Session
January 29, 2018**

Commission met to discuss the needed changes to the zoning ordinance involving commercial signage. Commission added wording to clarify that signs must be on private property, comply with all state federal and local laws and that signs may be required to be moved to accommodate road improvements.
