 4. Citizen Comments - Tony (P&Z Admin) would like to come up with an amendment on Commercial lots have the 6 foot easement (same as utility easement) for transfer of fire and ambulance. It's a fire and safety issue. He noticed with the boat storage it's not a problem but the Crowthers lot is too close. Billie asked if he talked to Pat Horning and he said yes it makes sense. Denise said we would have to do more research and that it would have to be brought into a public notice. Tony wants to prevent issues from happening in the future. Billie asked they can get new information on any new building permits.
 5. New Business-

 - b. Discussion and Possible Action on Thomas lot consolidation. Approved/signed by Denise.

Jenn reached out to ULCT and didn't get a response. Jenn also passed out the SLC ordinance for reference as well. Michelle said the only issue was that it was so long that people got scared. David said he is going to a county meeting and will ask if someone there will come out and talk to the board about it. Billie says we need a workshop on it.
